

THE MOST POPULAR APP OF ALL TIME

HOW WE HELP

Mobiato loyalty management app enables you to boost your sales in no time by promoting them right where it needs to be. You can collect a category of customers based on their purchase behavior and keep them engaged with your business by sending greetings, notifications, and bonuses.

- 1** Guest Notifications – Mobiato loyalty management app has a new guest notification feature that enables you to send guest customers messages allowing them to know about the latest products.
- 2** SMS and Email - By sending SMS and emails, your customers can know about promotional events and sales. Also, you will be able to notify them of their scheduled shopping needs.
- 3** Time Saver - You don't need to waste your time anymore, you can get more customers by our app in no time by showering them with offers.
- 4** Guest Database - Our app lets you arrange a list of guests and customers' databases. You can now serve customers and guest preferences separately in a unique way.
- 5** Gives a Reputation - Our loyalty management app shows to help your business grow to the next level, thereby giving it a better reputation in the business world.
- 6** Exciting Dashboard – Have fun with our interactive and easy to use app. Manage every inward as well as outward transaction of each loyalty program at just one place.

Install and Update from App Stores – Mobiato is available on Android Play Store, Apple App Store, and Windows Store. Users can download Mobiato from any of these platforms and start using it.

WHY CHOOSE US?

The worth of a product is discovered by identifying how valuable it is to customers. Customers have a significant role in running any business and loyalty programs keep them engaged. However, loyalty management is not an easy business, but Mobiato Loyalty Management Application helps you. It enables you to recognize, record, reward, and occupy your customers by highly adapted and real-time deals anywhere and anytime with minimal effort and minimal charge.

- Reduce Marketing Costs:-** The built-in email and SMS programs, along with push notifications gives your business the ability to connect with your customers and know your message is being seen, all at virtually no cost.
- Engage your Customers:-** Engage your customers with your business for a longer time. Our loyalty management app has built-in email marketing, by which we can make it easy to categorize loyal customers and send them occasional rewards.
- Know the Frequency Of Sale:-** Maintain a record of the people who buy your products. Keep a list of all kinds of merchandise and their daily customers to help identify the frequency of products sold.
- Retain Customers:-** Loyalty management app permits your business to recognize either daily customers or possible repeat customers, and send them gift cards and rewards points, so they keep returning to you for more products.
- Sale Booster:-** Once you give excellent service according to personalized shopping needs to your customers, including exciting discounts and rewards; eventually, they will be drawn towards you and will boost your sales to the next level.
- Better Customer Connections:-** Through Mobiato you can connect with your customers in a better way. Know the behavior of your customers and offer them the products related to their needs. By matching similar and frequent purchases, you can remind them about products through emails.
- Appreciate your Customers -:** Loyalty management app enables you to connect with customers as well as make them feel valued. Send them personal messages via email or SMS feeling valued and telling why they are special.
- Random Offers:-** Surprise your customers with the latest offers and discounts for the next purchases as well as reward them once in a while. Notify your customers about the offers through push notifications, email, or SMS.
